

# Coding Club Day 3

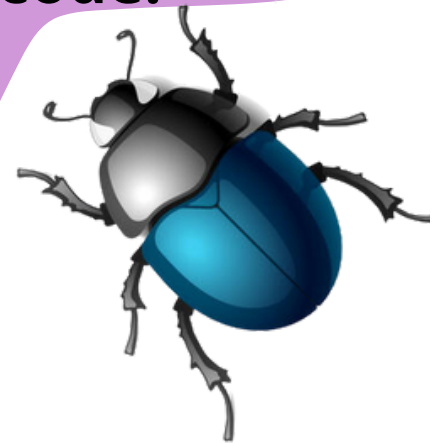

## Rainbow Road

The Code N Go Mice and the Sphero Bolt Robots helped us with our debugging skills! If there are bugs in our code, we find them, correct them and move on. Mistakes are not a bad thing- They help us learn and grow our brains!

**Growth Mindset!**

Not bugs like me!  
Bugs is another way of saying a mistake in a code!

All resources from the week can be found by scanning the QR Code or at [bit.ly/3qf5jl6](https://bit.ly/3qf5jl6)
