

Coding Club Day 3

Rainbow Road

The Sphero Bolt Robots helped us with our debugging skills! If there are bugs in our code, we find them, correct them and move on. Mistakes are not a bad thing- They help us learn and grow our brains!

Growth Mindset!

Not bugs like me!
Bugs is another way of saying a mistake in a code!

All resources from the week can be found by scanning the QR Code or at bit.ly/3BZxoQ4
