

Code.org

Coding Club Week 1

Code.org

Code: Giving instructions to a computer or a robot in a language it understands.

Skills/Learned Practiced:

Mistakes are okay! This is how we learn! 😊

Computational Thinking: A problem solving technique involving decomposition, algorithm, abstraction and pattern recognition.

We gave code to BB8 to pick up scrap metal!

The monkey board is an unplugged resource that got us ready for Code.org.

All resources from the semester can be found by scanning the QR Code or at bit.ly/3YCbcG4
