

Coding Club Week 4

WHAT OTHER BIG PROBLEMS CAN YOU BREAK DOWN?

Decomposition (De-Com-Po-Si-Tion)

This big fancy word means to take a big problem and break it into smaller problems- just like the example above where the word Decomposition was broken into syllables. This strategy can be used for multiple different problems!

**I AM A SPHERO BOLT!
THANK YOU FOR PRACTICING
DECOMPOSITION WITH ME
AND MY BUDDIES!**
